Saving Everyone on their Rx Costs!

WALK-IN DISCOUNT CARD

A Free Discount Card for saving 15-20% from your Pharmacy.

Using Your Walk-in Pharmacy Card

1. Locate a convenient pharmacy from the list on www.rxsave.org or ask your regular pharmacist if they have joined our program. Present the card provided below to your pharmacist.
2. When using the card for the first time, your pharmacist will register you in the system with the information provided on your pharmacy card.
3. You will then receive the maximum immediate savings off the retail price on generic and branded drugs at the point of purchase.

Your pharmacist cannot give you walk-in pricing until you present the card at the pharmacy, nor can our Member service number provide you with pricing for the walk-in pharmacy.

3 Ways to SAVE!
